RE: Notification of, and Invitation to Participate in a Natural Resource Damage Assessment  
at the Duck and Otter Creeks Site, Lucas County, Ohio.

Dear Mr. Hayward:

The purpose of this letter is to provide you with formal notice that a Preassessment Screen (PAS) for the Duck and Otter Creeks Site (the Site) has been completed by the U.S. Department of the Interior (DOI), a natural resource Trustee for the Site. A copy of the Notice of Intent (NOI) and the PAS are enclosed for your reference. A similar letter is being sent to other potentially responsible parties.

The PAS identifies natural resources and their supporting ecosystems that have been or potentially have been injured by the release(s) of hazardous substances at or from the Site. Based upon the PAS, the DOI has concluded that further investigation is warranted, and that an assessment plan should be developed and completed in the near future.

As discussed in the enclosed NOI and in accordance with applicable regulations, DOI is inviting you to enter into a cooperative agreement for assessment work at the Site. The cooperative assessment approach provides a number of benefits to all involved parties, including increased efficiency, reduced transaction costs and a focus on restoration.

---

If you are interested in discussing a cooperative assessment to evaluate and restore the injured natural resources at the Site, please provide your written response within thirty (30) days of receipt of this letter.

Very truly yours,

A handwritten signature in black ink, reading "Kelly B. Bakayza". The signature is written in a cursive, flowing style with a large initial "K".
