CONSENT DECREE

27
28 A. Plaintiffs, the United States of America ("United States"), on behalf of the

1 National Oceanic and Atmospheric Administration ("NOAA") of the United States Department
2 of Commerce and the U.S. Department of the Interior ("DOI"), U.S. Fish and Wildlife Service
3 ("USFWS"), and the People of the State of California ("State") ex rel. California Department of
4 Fish and Game ("CDFG") are concurrently filing a complaint alleging that Defendant Chevron
5 U.S.A. Inc. is liable for civil claims for Natural Resource Damages arising from releases of Oil
6 and Hazardous Substances into Castro Cove, a small embayment within San Pablo Bay located
7 adjacent to an industrial area that is the location of facilities, including a petroleum refinery,
8 owned and operated by Defendant in Richmond, California (the "Refinery").

9 B. Plaintiffs allege that there have been releases of Oil and Hazardous Substances,
10 including mercury and polycyclic aromatic hydrocarbons ("PAHs") from the Refinery to Castro
11 Cove, including through an historical discharge of wastewater to the south side of Castro Cove.
12 Lead, which is a hazardous substance, was also released to the environment through lead pellets
13 deposited in a portion of the Castro Cove sediments from past skeet shooting activities at the
14 Refinery.

15 C. NOAA, USFWS, and CDFG are the federal and State of California trustee
16 agencies (collectively, the "Trustees") for the Natural Resources injured by the releases of Oil
17 and Hazardous Substances into Castro Cove. As a designated Trustee, each agency is authorized
18 to act on behalf of the public to assess injuries to those Natural Resources under its trusteeship
19 resulting from the releases of Oil and Hazardous Substances to the environment and to recover
20 damages to make the environment and the public whole.

21 D. The Defendant and the Trustees have cooperated in assessing the Natural
22 Resource Damages arising from the release of Oil and Hazardous Substances into Castro Cove,
23 and the Trustees undertook a restoration planning process to determine the restoration projects
24 that would most effectively restore or compensate for the loss of use and injury to Natural
25 Resources resulting from the alleged releases of Oil and Hazardous Substances to the
26 environment.

27 E. The Plaintiffs and the Defendant (collectively, "the Parties") have consented to
28 the entry of this Consent Decree without trial of any issues, and the Plaintiffs and the Defendant

1 hereby stipulate to the Court that in order to resolve the issues stated in the Complaint, this
2 Consent Decree should be entered. The Plaintiffs and the Defendant assert, and the Court by
3 entering this Consent Decree finds, that the Consent Decree has been negotiated in good faith,
4 and that the Consent Decree is fair, reasonable, and in the public interest, and consistent with the
5 purposes of the federal and state statutes pursuant to which this claim is brought.

6 NOW THEREFORE, it is ORDERED AND DECREED as follows:

7 **I. JURISDICTION**

8 1. This Court has jurisdiction over the subject matter of this action pursuant to 28
9 U.S.C. §§ 1331 and 1345, 33 U.S.C. § 1321(n), and 42 U.S.C. § 9613(b).

10 2. This Court also has personal jurisdiction over the Defendant. Solely for the
11 purpose of this Consent Decree and the underlying Complaint, Defendant waives all objections
12 and defenses that it may have to jurisdiction of the Court or to venue in this District. Defendant
13 shall not challenge the terms of this Consent Decree or this Court's jurisdiction to enter and
14 enforce this Consent Decree.

15 **II. PARTIES BOUND**

16 3. This Consent Decree applies to and is binding upon Plaintiffs and upon Defendant
17 and its successors and assigns. Except as expressly provided in this Consent Decree, nothing
18 herein is intended or shall be construed to impose any duties upon or waive any rights of any
19 agency, division, subdivision or other governmental entity of the State of California including,
20 but not limited to, the California Attorney General, other than the State ex rel. CDFG. Any
21 change in ownership or corporate status of a Party shall in no way alter that Party's
22 responsibilities under this Consent Decree. Each signatory to this Consent Decree certifies that
23 she or he is fully authorized to enter into the terms and conditions of this Consent Decree and to
24 execute and legally bind the parties to it.

25 **III. OBJECTIVES**

26 4. The Parties to this Consent Decree agree that settlement of this action without
27 further litigation is in the public interest and that entry of the Consent Decree is the most
28 appropriate means of resolving this action.

IV. DEFINITIONS

10 “Castro Cove” or “Cove” shall mean that embayment located in San Pablo Bay within
11 Contra Costa County, California, immediately north of the Chevron North Yard Impound Basin
12 and enclosed by a line drawn from the Point San Pablo Yacht Harbor to the West Contra Costa
13 Sanitary Landfill.

17 “Damage Assessment Costs” shall mean all costs associated with the planning, design,
18 implementation and oversight of the Trustees’ damage assessment process which addresses the
19 extent and quantification of the injury to, destruction of, or loss of Natural Resources and the
20 services provided by these Natural Resources resulting from the Castro Cove Contamination, and
21 with the planning of restoration or replacement of such Natural Resources and the services
22 provided by those Natural Resources, and any other costs necessary to carry out the Trustees’
23 responsibilities with respect to those Natural Resources injured as a result of the Castro Cove
24 Contamination.

26 “Natural Resource Damages” shall mean all past and future damages, including loss of
27 use, restoration or rehabilitation costs, costs of resource replacement, or acquisition of equivalent
28 resources, or any other losses of resource services or values and Damage Assessment Costs

arising from or relating to injury to, destruction of, or loss of Natural Resources resulting from the Castro Cove Contamination. "Natural Resource Damages" shall not include future "remedial action" or "response" as those terms are defined in Section 101(24 and 25) of CERCLA, 42 U.S.C. § 9601(24 and 25).

"Natural Resources" shall have that meaning set forth in Section 101(16) of CERCLA, 42 U.S.C. § 9601(16).

"Oil and Hazardous Substances" shall mean any hazardous substances, contaminants and pollutants, including but not limited to petroleum, petroleum constituents, including xylene, toluene, benzene, and PAHs, and metals, including lead.

V. SETTLEMENT PAYMENTS

7. Within forty-five (45) days after this Consent Decree has been lodged by Plaintiffs with this Court, Defendant shall deposit the amount of two million, eight hundred fifty thousand dollars (\$2,850,000) into an account bearing interest on commercially reasonable terms in a federally-chartered bank (hereinafter, the "Castro Cove Escrow Account"). If the Consent Decree is not entered by this Court and the time for any appeal of that decision has run, or if this Court's denial of entry of this Consent Decree is upheld on appeal, the monies placed in the Castro Cove Escrow Account, together with accrued interest thereon, shall be returned to Defendant. If the Consent Decree is entered by this Court, Defendant shall, within fifteen (15) business days of the Effective Date of this Consent Decree, cause the sum of \$2,850,000, plus all accrued interest thereon, to be paid to DOI, on behalf of the Trustees, for the purposes set forth in Section VII (TRUSTEE-SELECTED NATURAL RESOURCE RESTORATION PROJECTS). Such payment shall be made by Electronic Funds Transfer ("EFT") to the U.S. Department of Justice in accordance with the instructions that the Financial Litigation Unit of the U.S. Attorney's Office for the Northern District of California shall provide to Defendant following entry of the Consent Decree by this Court. Defendant shall send a transmittal letter, indicating that the EFT has occurred, to the Parties in accordance with Section XI (NOTICES) and to:

Department of the Interior
Natural Resource Damage Assessment and Restoration Program
Attention: Restoration Fund Manager

1 1849 C Street, N.W. , Mail Stop 4449
2 Washington, D.C. 20240

3 The EFT and transmittal letter shall reflect that the payment is being made to the "Natural
4 Resources Damage Assessment and Restoration Fund, Account No. 14X5198 - Chevron/Castro
5 Cove Richmond Refinery. DOI will assign these funds a special project number to allow the
6 funds to be maintained as a segregated account within the Department of Interior Natural
7 Resource Damage Assessment and Restoration Fund, Account No. 14X5198 (the "Chevron
8 Castro Cove NRD Account").

9 8. In addition to the payments made by Defendant pursuant to Paragraph 7 of this
10 Consent Decree, DOI, NOAA, and CDFG shall be paid by Defendant for their unreimbursed
11 Natural Resource Damage Assessment Costs resulting from the Castro Cove Contamination that
12 they have incurred through the Effective Date of the Consent Decree ("New Costs") if the
13 invoices and supporting documentation for such New Costs are submitted to Defendant within
14 ninety (90) days following the Effective Date of this Consent Decree. Defendant shall pay such
15 New Costs (except any amounts which it contests in accordance with Paragraph 8(a)) within
16 sixty (60) days of the receipt of each invoice and its supporting documentation in accordance
17 with the payment instructions to be provided by DOI, NOAA and CDFG.

18 a. Defendant may object to payment of any New Costs if it contends that
19 DOI, NOAA, or CDFG has made an accounting error or if it alleges that a cost item that is
20 included represents a cost that is not a Damage Assessment Cost. Such objection shall be made
21 in writing within sixty (60) days of receipt of the invoice and must be sent to DOI (if DOI's New
22 Costs are being disputed), to NOAA (if NOAA's New Costs are being disputed) or to CDFG (if
23 CDFG's New Costs are being disputed) pursuant to Section XI (NOTICES). Any such objection
24 shall specifically identify the contested New Costs and the basis for the objection.

25 b. If Defendant objects to any New Costs, such objection shall be, in the first
26 instance, the subject of informal negotiations between DOI, NOAA, or CDFG and Defendant.
27 Such period of informal negotiations shall not extend beyond twenty (20) days after the date that
28 written notice of an objection to New Costs is sent to either DOI, NOAA, or CDFG, unless

1 otherwise agreed to in writing by the Parties. If informal negotiations do not result in resolution
 2 of the objection, Defendant shall pay the New Costs that were subject to the objection within
 3 thirty (30) days of the conclusion of the informal negotiations, unless the Defendant exercises its
 4 right to petition the Court in accordance with this Paragraph. Defendant may petition the Court
 5 within thirty (30) days of the end of the informal negotiation period for resolution of the
 6 objection. Further briefing and argument on the petition will comply with the requirements of
 7 the Court.

8 **VI. STIPULATED PENALTIES**

9 9. If Defendant fails to cause any payment to be made when due as required by
 10 Paragraph 7 above, Defendant shall pay to the United States and to the State a stipulated penalty
 11 of \$1,000 per day for each day that such payment is late. Such stipulated penalties shall be paid
 12 half to the United States and half to the State.

13 10. If Defendant fails to cause any payment to be made when due as required by
 14 paragraph 8 above, Defendant shall pay to the United States (if payment was due to the United
 15 States) or to the State (if payment was due to the State) a stipulated penalty of \$500 per day for
 16 each day that such payment is late.

17 11. Any stipulated penalties, as described above, owing to the United States shall be
 18 due within thirty (30) days of receipt by Defendant of a written demand, and shall be paid by EFT
 19 in accordance with instructions to be provided by the Financial Litigation Unit of the U.S.
 20 Attorney's Office for the Northern District of California. Payment of stipulated penalties shall be
 21 accompanied by transmittal correspondence stating that any such payment is for late payment of
 22 amount(s) due under this Consent Decree and shall reference DOJ No. 90-11-3-09726 and the
 23 case name and number.

24 12. Any stipulated penalties, as described above, owing to the State shall be due
 25 within thirty (30) days of receipt by Defendant of a written demand and shall be paid by trust
 26 check, certified check, or money order payable to the California Department of Fish and Game.
 27 Payment of stipulated penalties shall be accompanied by transmittal correspondence stating that
 28 any such payment is for late payment of amount(s) due under this Consent Decree and shall

reference the Castro Cove Contamination, the case name and number, and reflect that it is a payment to the Fish and Wildlife Pollution Account. The check or money order shall be sent by certified mail to:

State of California Department of Fish and Game
Office of Spill Prevention and Response
Attn: Katherine Verrue-Slater, Staff Counsel III
1700 K Street, Suite 250
Sacramento, California 95811

13. Defendant shall not deduct any stipulated penalties paid under this Section in calculating its federal or state income taxes.

14. If Defendant fails to pay stipulated penalties according to the terms of this Consent Decree, Defendant shall be liable for interest on such penalties, as provided for in 28 U.S.C. § 1961, accruing as of the date payment becomes due.

15. The Parties agree that the stipulated penalties set forth in this Section VI are reasonable under the circumstances and are valid for purposes of California Civil Code sections 1671 and 3389.

VII. TRUSTEE-SELECTED NATURAL RESOURCE RESTORATION PROJECTS

16. Management and Application of Funds. DOI shall, in accordance with law, manage and invest those funds paid pursuant to Paragraph 7 of this Consent Decree to the Chevron Castro Cove NRD Account and any return on investments or interest accrued on the Chevron Castro Cove NRD Account for the joint use by the Trustees in connection with restoration, rehabilitation or replacement of Natural Resources affected by the Castro Cove Contamination. DOI shall not make any charge against the Chevron Castro Cove NRD Account for any investment or management services provided. DOI shall hold such funds in the Chevron Castro Cove NRD Account, including return on investments or accrued interest, subject to the provisions of this Consent Decree.

17. The Trustees will expend the funds described in Paragraph 16 for the design, implementation, permitting (as necessary), monitoring, and oversight of restoration projects that improve the ecological function of habitats in San Pablo Bay that at present are not fully

1 functional and that are the same or similar to the intertidal mudflat, salt marsh, and shallow
 2 subtidal habitat that was injured in Castro Cove and for the costs to conduct a restoration
 3 planning and implementation process.

4 18. The Trustees' allocation of funds for specific projects is contained in a
 5 Restoration Plan jointly prepared by the Trustees, for which public notice, opportunity for public
 6 input, and consideration of public comment has been provided, in accordance with the
 7 requirements of the law. The Trustees jointly retain the ultimate authority and responsibility to
 8 use the funds in the Chevron Castro Cove NRD Account to restore, rehabilitate or replace
 9 Natural Resources in accordance with applicable law, this Consent Decree, the Restoration Plan
 10 and any Memorandum of Understanding among them. Defendant shall not be entitled to dispute,
 11 in any other forum or proceeding, any decision relating to the use of funds or restoration efforts
 12 under this Section, and the rights and protections afforded to Defendant under the covenant not to
 13 sue and contribution protection provisions in Sections VIII (COVENANTS NOT TO SUE BY
 14 PLAINTIFFS) AND X (EFFECT OF SETTLEMENT AND CONTRIBUTION PROTECTION)
 15 shall not be affected in any way by the Trustees' use or administration of such funds.

16 **VIII. COVENANTS NOT TO SUE BY PLAINTIFFS**

17 19. In consideration of the payments that will be made by Defendant, and except as
 18 specifically provided in Paragraph 21 (Reservation of Rights) of this Section, the Plaintiffs
 19 covenant not to sue or to take administrative action against Defendant pursuant to the
 20 Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §
 21 9607(a)(4)(C) and (f), the Clean Water Act, 33 U.S.C. § 1321(f)(4), California Fish and Game
 22 Code §§ 2014 and 12016, or any other applicable law, or commence any other judicial or
 23 administrative action, to recover Natural Resource Damages arising from the Castro Cove
 24 Contamination. Notwithstanding the terms of the preceding sentence, nothing in this Paragraph
 25 is intended to preclude or limit the United States or the State of California from taking response
 26 actions or exercising authorities that may be available to them under CERCLA, the Clean Water
 27 Act, the California Porter Cologne Water Quality Control Act, or other applicable statutory or
 28 common law to seek relief other than Natural Resource Damages, including, but not limited to,

1 permitting and enforcement under the National Pollutant Discharge Elimination System program,
2 adoption and implementation of TMDLs, issuance of cleanup or abatement orders, waste
3 discharge requirements, and water quality certifications. These covenants not to sue shall take
4 effect upon the Effective Date of this Consent Decree. However, they are conditioned upon
5 Defendant's satisfactory performance of its obligations under this Consent Decree.

6 20. The covenant not to sue in Paragraph 19 extends only to Defendant: provided,
7 however, that this covenant not to sue (and the reservations thereto) shall also apply to : (i)
8 Chevron Corporation, Chevron Oronite Company LLC, Chevron Environmental Management
9 Company, and successors and assigns of each of them and the Defendant, but only to the extent
10 that the alleged liability of Chevron Corporation, Chevron Oronite Company LLC, Chevron
11 Environmental Management Company or the successor or assign of each of them or the
12 Defendant is based on the alleged facts supporting the alleged liability of the Defendant; and (ii)
13 the officers, directors, and employees of Chevron Corporation, Chevron Oronite Company LLC,
14 Chevron Environmental Management Company and the Defendant and the successors or assigns
15 of each of them, but only to the extent that the alleged liability of the officer, director or
16 employee is based on said person's status as an officer, director or employee of that entity.

17 21. Reservation of Rights

18 a. Notwithstanding any other provision of this Consent Decree, the Plaintiffs
19 reserve, and this Consent Decree is without prejudice to, the right to institute proceedings in this
20 action or in a new action seeking recovery of Natural Resource Damages: (i) based on injury to,
21 destruction of, or loss of Natural Resources as a result of the Castro Cove Contamination which
22 resulted from conditions that were unknown to the Trustees as of the date of lodging of this
23 Consent Decree, or could not have been reasonably ascertained by the Trustees from information
24 known to the Trustees as of the date of lodging of this Consent Decree; or (ii) based on
25 information received by the Trustees after the date of lodging of this Consent Decree which
26 indicates that there was injury to, destruction of, or loss of Natural Resources as a result of the
27 Castro Cove Contamination which was of a type different than or magnitude significantly larger
28 than that known to the Trustees as of said date.

1 b. The covenant not to sue set forth above does not pertain to any matters
 2 other than those expressly specified in Paragraph 19. The Plaintiffs reserve, and this Consent
 3 Decree is without prejudice to, all rights against Defendant with respect to all other matters,
 4 including but not limited to, the following: (i) claims based on a failure by Defendant to meet a
 5 requirement of this Consent Decree; (ii) liability for response costs or the performance of
 6 response actions or other cleanup activity necessitated by the Castro Cove Contamination
 7 pursuant to CERCLA, the Clean Water Act, the Bay Protection and Toxic Cleanup program
 8 (California Water Code §§ 13390 *et seq.*), or any other applicable law; (iii) civil penalties
 9 imposed under the Clean Water Act, California Water Code § 13385, or any other applicable
 10 law; and (iv) criminal liability.

11 **IX. COVENANT NOT TO SUE BY DEFENDANT**

12 22. Subject to Paragraph 24 below, the Defendant hereby covenants not to sue or
 13 assert any administrative claims or causes of action against the Plaintiffs with respect to this
 14 Consent Decree or with respect to Natural Resource Damages resulting from the Castro Cove
 15 Contamination, including but not limited to:

16 a. Any direct or indirect claim for reimbursement from the Hazardous
 17 Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C.
 18 §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

19 b. Any claim against Plaintiffs, including any department, agency or
 20 instrumentality of the United States or the State, under CERCLA Sections 107 or 113, 42 U.S.C.
 21 §§ 9607 and 9613, relating to Natural Resource Damages resulting from the Castro Cove
 22 Contamination; and

23 c. Any claims under the United States Constitution, the State Constitution,
 24 the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at
 25 common law relating to Natural Resource Damages resulting from the Castro Cove
 26 Contamination.

27 23. Nothing in this Consent Decree shall be deemed to constitute approval or
 28 preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or

1 40 C.F.R. 300.700(d).

2 24. The Defendant reserves its right to contest any claim allowed by Section VIII
3 (COVENANTS NOT TO SUE BY PLAINTIFFS) of this Consent Decree, and the Defendant
4 does not by consenting to this Consent Decree waive any other rights or defenses with respect to
5 such claims, including the right to assert counterclaims, except that the Defendant covenants not
6 to assert, and may not maintain, any defense based upon principles of waiver, res judicata,
7 collateral estoppel, claim preclusion, issue preclusion, claim-splitting, or other defense based
8 upon the contention that the claims that are allowed by Section VIII of this Consent Decree were
9 or should have been brought in the instant case.

10 **X. EFFECT OF SETTLEMENT AND CONTRIBUTION PROTECTION**

11 25. Nothing in this Consent Decree shall be construed to create any rights in, or grant
12 any cause of action to, any person not a Party to this Consent Decree. The preceding sentence
13 shall not be construed to waive or nullify any rights that any person not a signatory to this
14 Consent Decree may have under applicable law. Each of the Parties expressly reserves any and
15 all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and
16 causes of action which each Party may have against any person not a Party hereto.

17 26. The Parties agree, and by entering this Consent Decree this Court finds, that this
18 settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of
19 CERCLA, 42 U.S.C. § 9613(f)(2), and that the Defendant, and the other persons and entities
20 included under the Covenant Not to Sue in Paragraph 19 of this Consent Decree, are entitled, as
21 of the Effective Date, to protection from contribution actions or claims as provided by CERCLA
22 Section 113(f)(2), 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters
23 addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Natural
24 Resource Damages, as that term is defined in Paragraph 6 of this Consent Decree.

25 27. The Defendant shall, with respect to any suit or claim brought by it for matters
26 related to this Consent Decree, notify the United States and the State in writing no later than 60
27 days prior to the initiation of such suit or claim.

28 28. The Defendant shall, with respect to any suit or claim brought against it for

1 matters related to this Consent Decree, notify in writing the United States and the State within 10
2 days of service of the complaint on Defendant. In addition, Defendant shall notify the United
3 States and the State within 10 days of service or receipt of any Motion for Summary Judgment
4 and within 10 days of receipt of any order from a court setting a case for trial.
