**UNITED STATES DISTRICT COURT
DISTRICT OF ARIZONA
TUCSON DIVISION**

UNITED STATES OF AMERICA
AND TOHONO O'ODHAM NATION,

Plaintiffs,

v.

CYPRUS TOHONO CORPORATION,

Defendant.

CIVIL ACTION NO. 09-296

CONSENT DECREE

I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Secretary of the United States Department of the Interior (“DOI”), filed a complaint in this action pursuant to Section 107 of the Comprehensive Environmental Response, Compensation,

and Liability Act of 1980, as amended, (“CERCLA”), 42 U.S.C. § 9607. The United States’ complaint alleges that the Settling Defendant is liable under CERCLA for damages for injury to, destruction of, or loss of natural resources resulting from release of hazardous substances at the Cyprus Tohono Mine Site on the Tohono O’odham Nation, near North Komelik, Arizona.

B. Pursuant to Executive Order 12,580 and the National Contingency Plan, 40 C.F.R. § 300.600(b)(2) and (3), the Secretary of the Interior, through the services and bureaus of DOI, has been delegated authority to act as the Federal Trustee for certain natural resources, including those impacted by the release of hazardous substance at or from the Site. DOI is performing its trustee role at this Site through: the United States Fish and Wildlife Service (“FWS”), whose trusteeship includes birds and endangered species, and the Bureau of Indian Affairs (“BIA”), which is trustee for resources on and within Indian lands, and which has interests in hard rock mining in Indian country. 25 U.S.C. §§ 396 (hard rock mining) § 415 (leasing and leaseholds); 25 C.F.R. Part 211 & 216.

C. The Tohono O’odham Nation (the “Nation”) is a co-plaintiff on the complaint in this matter, and seeks damages for injury to natural resources pursuant to Section 107 of CERCLA, 42 U.S.C. § 9607. The Nation is acting in its capacity as a Trustee for Natural Resources which have been affected by the releases of hazardous substances. 40 C.F.R. § 300.610.

D. The Federal Trustees and the Nation (collectively, the “Trustees”) have formed a Trustee Council to coordinate activities relating to this matter.

E. On November 2, 2005, the parties entered into the Cooperative Agreement (defined herein), which provided for a cooperative assessment of injuries and damages, and provided that Defendant would, in certain circumstances, reimburse the Trustees’ costs of assessment. This Cooperative Agreement expired on August 1, 2007.

F. The United States EPA has not completed its response actions under CERCLA at the Site. In light of this, the Parties are not prepared to fully resolve the Plaintiffs’ potential claims for natural resource damages at the Site. However, this Consent Decree embodies a partial resolution of the Plaintiffs’ potential claims for damages at the Site relating to Past Lost Use of Groundwater Natural Resource Damages, and Past Non-Groundwater Natural Resource Damages, as set forth herein, while preserving Plaintiffs’ other potential claims, including claims for Future Non-Groundwater Natural Resource Damages and for Other Groundwater Natural Resource Damages.

G. By entry into this Consent Decree, the Settling Defendant does not admit any liability to the Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

H. The Parties to this Consent Decree recognize, and the Court by entering this Consent Decree finds, that this Consent Decree: (I) has been negotiated by the Parties in good faith; (ii) will avoid prolonged and complicated litigation among the Parties; (iii)

will expedite natural resource restoration actions to be performed by the Trustees; and (iv) is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby Ordered, Adjudged, and Decreed:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345, and Sections 107 and 113(b) of CERCLA, 42 U.S.C. §§ 9607 and 9613(b). The Court also has personal jurisdiction over the Settling Defendant. Solely for the purposes of this Consent Decree and the underlying complaint, the Settling Defendant waives all objections and defenses that they may have to jurisdiction of the Court or to venue in this District. The Settling Defendant shall not challenge the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

All such funds shall be applied toward the costs of restoration, rehabilitation, or replacement of injured natural resources, and/or acquisition of equivalent resources, including but not limited to any administrative costs and expenses necessary for, and incidental to, restoration, rehabilitation, replacement, and/or acquisition of equivalent resources planning, and any restoration, rehabilitation, replacement, and/or acquisition of equivalent resources undertaken, or to reimburse previously incurred costs of damage assessment.

9. Restoration Planning. The Trustees intend to prepare a separate Restoration Plan describing how the funds dedicated for Trustee-sponsored natural resource restoration efforts under this Section will be used. As provided by 43 C.F.R. § 11.93, the

Plan will identify how funds will be used for restoration, rehabilitation, replacement, or acquisition of equivalent resources. The Plan may also identify how funds will be used to address services lost to the public until restoration, rehabilitation, replacement, and/or acquisition of equivalent resources is completed.

10. Decisions regarding any use or expenditure of funds under this Section shall be made by the Trustees. Settling Defendant shall not be entitled to dispute, in any other forum or proceeding, any decision relating to use of funds or restoration efforts under this Section.

IX. RESERVATION OF RIGHTS BY PLAINTIFFS

12. General Reservations. The United States and the Nation reserve, and this Consent Decree is without prejudice to, all rights against the Settling Defendant and with respect to all matters not expressly included within Paragraph 11 (Covenant Not to Sue by the Plaintiffs). Notwithstanding any other provisions of this Consent Decree, the United States and the Nation reserve all rights against the Settling Defendant with respect to:

- a. claims based on a failure by the Settling Defendant to meet a requirement of this Consent Decree;
- b. liability for any other costs incurred or to be incurred by the United States or by the Nation that are not within the definition of Past Lost Use of Groundwater Natural Resource Damages or Past Non-Groundwater Natural Resource Damages, including liability for response costs, including liability under CERCLA Section 107(a)(1-4)(A), 42 U.S.C. § 9607(a)(1-4)(A), for costs of removal or remedial action incurred by the United States Government or a State or an Indian tribe;
- c. liability for injunctive relief or administrative order enforcement under CERCLA Section 106, 42 U.S.C. § 9606;
- d. claims for Future Non-Groundwater Natural Resource Damages, including but not limited to claims for Future Non-Groundwater Natural Resource Damages where the injury or damages result from releases of hazardous substances that occurred prior to the Date of Lodging;

e. claims for Other Groundwater Natural Resource Damages, including but not limited to claims for Other Groundwater Resource Damages where the injury or damages result from releases of hazardous substances that occurred prior to the Date of Lodging;

f. liability for damages for injury to, destruction of, or loss of natural resources resulting from releases or threatened releases of hazardous substances outside of the Site;

g. liability arising from any disposal of hazardous substances at the Site by the Settling Defendant after the lodging of this Consent Decree; and

h. criminal liability.

13. Special Reservations. Notwithstanding any other provision of this Consent Decree, the United States and the Nation reserve the right to institute proceedings against the Settling Defendant in this action or in a new action seeking recovery of Past Non-Groundwater Natural Resource Damages, or recovery of Past Lost Use of Groundwater Natural Resource Damages based on conditions with respect to the Site, unknown to the Trustees as of the Date of Lodging, or information received by the Trustees after the Date of Lodging, which indicates that releases of hazardous substances at the Site have resulted in injury to, destruction of, or loss of Natural Resources of a type that was unknown to the Trustees as of the Date of Lodging. No condition shall be deemed as “unknown” if the condition is identified in, or could reasonably be determined from, documents and data in

the possession of any of the Trustees, including any information developed by one or more of the Plaintiffs based thereon, on or before the Date of Lodging.

X. COVENANTS BY THE SETTLING DEFENDANT

14. Covenants by the Settling Defendant. The Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States and the Nation, or their contractors or employees, with respect to Past Lost Use of Groundwater Natural Resource Damages, Past Non-Groundwater Natural Resource Damages, or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim against the United States or the Nation pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site.

15. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

16. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may

have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

17. The Parties agree, and by entering this Consent Decree this Court finds, that the Settling Defendant is entitled, as of the Effective Date of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Lost Use of Groundwater Natural Resource Damages and Past Non-Groundwater Natural Resource Damages.

18. The Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against Settling Defendant for matters related to this Consent Decree, the Settling Defendant will notify the persons identified in Section XII (Notices and Submissions) in writing within 10 days of service of the complaint or claim upon it. In addition, the Settling Defendant shall notify the persons identified in Section XII (Notices and Submissions) within 5 days of service or receipt of any Motion for Summary Judgment, and within 5 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

19. In any subsequent administrative or judicial proceeding initiated by the United States or the Nation for injunctive relief, recovery of response costs or damages, or other relief relating to the Site, the Settling Defendant shall not assert, and may not maintain, any defense or claim based upon principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention

that the claims raised by the United States or the Nation in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants Not To Sue by the United States and the Nation set forth in Section VIII. In addition, in any subsequent administrative or judicial proceeding initiated by the United States or the Nation for Future Non-Groundwater Natural Resource Damages or for Other Groundwater Natural Resource Damages, or for Past Natural Resource Damages under Paragraph 13 of this Consent Decree, the Settling Defendant shall not assert, and may not maintain, any defense or claim based upon any potentially applicable statute of limitations.

XII. NOTICES

20. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses set forth below, unless those individuals or their successors give notice of a change to the other Parties in writing.
