I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Secretary of the United States Department of the Interior (“DOI”), the Secretary of the United States Department of Commerce (“Commerce”), and the Administrator of the U.S. Environmental Protection Agency (“EPA”), and the State of Wisconsin (“Wisconsin” or the “State”), at the request of the Governor of Wisconsin and on behalf of the Wisconsin Department of Natural Resources (“WDNR”), filed a complaint in this action pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, (“CERCLA”), 42 U.S.C. § 9607.

B. The complaint alleges that defendant Thomas Industries, Inc. (“Settling Defendant”) is liable under CERCLA for damages for injury to, destruction of, or loss of natural resources resulting from the release of hazardous substances at or from the Sheboygan River and Harbor Superfund Site in Sheboygan, Wisconsin (the “Site”).

C. Pursuant to Executive Order 12580 and the National Contingency Plan, 40 C.F.R. Part 300, DOI, through the United States Fish and Wildlife Service (“FWS”), and Commerce, through the National Oceanic and Atmospheric Administration (“NOAA”), have been delegated authority to act on behalf of the public as the Federal Trustees for natural resources impacted by the release of hazardous substances at or from the Site.

D. The Governor of Wisconsin has designated WDNR to act as the State Trustee for natural resources impacted by the release of hazardous substances at or from the Site.

E. The Federal Trustees and the State Trustee have formed a Trustee Council to coordinate Natural Resource Damages related activities associated with the Site.

F. Pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, EPA placed the Site on the National Priorities List, set forth at 40 C.F.R. Part 300, Appendix B, by publication in the Federal Register on May 21, 1986.

G. In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, and may undertake additional response actions in the future. In performing response actions at the Site, EPA has incurred response costs and will incur additional response costs in the future.

H. The Parties agree that Settling Defendant is entitled to a *de minimis* settlement under Section 122(g) of CERCLA, 42 U.S.C. § 9622(g). Settling Defendant has further asserted that it is entitled to application of the *de micromis* exemption under Section 107(o) of CERCLA, 42 U.S.C. § 9607(o).

I. By entry into this Consent Decree, Settling Defendant does not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

J. The Parties to this Consent Decree recognize, and the Court by entering this Consent Decree finds, that this Consent Decree: (i) has been negotiated by the Parties in good faith; (ii) will avoid prolonged and complicated litigation among the Parties; (iii) will expedite natural resource protection and restoration actions to be performed by the Trustees; and (iv) is fair, reasonable, and in the public interest.

NOW, THEREFORE, with the consent of the Parties to this Decree, it is hereby ORDERED, ADJUDGED, and DECREED:

a. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site, including Natural Resource Damages, and this Consent Decree, including but not limited to:

(1) any direct or indirect claim for reimbursement of any payment from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

(2) any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Wisconsin Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or

(3) any claim pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law relating to the Site, including Natural Resource Damages.

b. Except as provided in Paragraph 18 (waiver of claims) and Paragraph 23 (waiver of claim-splitting defenses), these covenants shall not apply in the event the United States or the State bring a cause of action or issues an order pursuant to any of the reservations set forth in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraph 15.a (liability for failure to meet a requirement of the Consent Decree) or 15.b (criminal liability), but only to the extent that Settling Defendant's claims arise from the same response action, response

costs, or damages that the United States or the State is seeking pursuant to the applicable reservation.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

18. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Section 107(a) or 113 of CERCLA) that it may have for response costs and for natural resource damages and assessment costs relating to the Site against any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against Settling Defendant.

XI. EFFECT OF SETTLEMENT / CONTRIBUTION PROTECTION

19. Except as provided in Paragraph 18 (waiver of claims) and in the provisions concerning Settling Defendant's Related Parties, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendant) and the provisions concerning the Settling Defendant's Related Parties, each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States or the State, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-

(3), to pursue any such persons to obtain additional Natural Resource Damages, response costs, or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

20. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling Defendant is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs and Natural Resource Damages incurred or to be incurred, at or in connection with the Site, by the United States or any other person. If, however, the United States or the State exercises rights under the reservations in Section X (Reservations of Rights by Plaintiffs), other than in Paragraph 15.a (liability for failure to meet a requirement of the Consent Decree) or 15.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs, response actions, or Natural Resource Damages that are within the scope of the exercised reservation.

21. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States and the State in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States and the State within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

22. Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify the persons identified in Section XII (Notices) in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify the persons identified in Section XII (Notices) in writing within 10 days after service of the complaint or claim upon it. In addition, Settling Defendant shall notify the persons identified in Section XII (Notices) within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

23. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs or Natural Resource Damages, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by the United States or the State set forth in Section VIII.

XII. NOTICES

24. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email

(if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
