## Memorandum

To: Director, Office of Restoration and Damage Assessment

From: Wendi Weber, Regional Director, North Atlantic – Appalachian Region

Subject: Request to Redistribute Spectron Restoration Funds

This is a request to redistribute restoration funds from two Chesapeake Bay Field Office (CBFO) Natural Resources Damage Assessment and Restoration (NRDAR) accounts. We are requesting to move funds from CBFO accounts for the Spectron Superfund Site (Maryland) to the Office of Restoration and Damage Assessment (ORDA) Spectron account 00502. The restoration projects are complete, and no further funds are needed for this case. Once the funds are transferred to ORDA, Mary Andrews of the National Oceanic and Atmospheric Administration (NOAA) will send a request from the Spectron Natural Resource Trustees requesting transfer to NOAA for reimbursement of their remaining costs.

Funds should be transferred as follows:

From: CBFO Accounts	Amount	To: ORDA
9821-0502 Spectron	\$5330.03	00502 Spectron Superfund Site MD
9822-0502 Spectron	\$5158.92	00502 Spectron Superfund Site MD

Thank you for your assistance. If you have any questions or need additional information, please contact the Acting Regional NRDAR Coordinator, Michael Carlson, at [IR1\\_NRDAR\\_SR\\_Coordinator@fws.gov](mailto:IR1_NRDAR_SR_Coordinator@fws.gov).
