Pursuant to the Natural Resource Trustee Memorandum of Agreement (MOA) for the Portland Harbor Superfund Site, the Natural Resource Trustees (Trustees) for the Portland Harbor Superfund Site (Site) established a Trustee Council with the authority to conduct activities associated with a natural resource damage assessment (NRDA) for the Site, including participating in settlement discussions with potentially responsible parties at the Site. The Trustee Council consists of one representative from each of the Trustees listed above.

A payment of \$16,432.59 from Linnton Water Credits, LLC for Year 2 of Trustee Council Monitoring and Stewardship Oversight for the Linnton Restoration Site, was deposited into the Department of the Interior (DOI) Natural Resource Damage Assessment and Restoration (NRDAR) Fund (Project No. 0539, future assessment subaccount; posting date of March 31, 2021), pursuant to Appendix 14 of the Final Linnton Restoration Site Habitat Development Plan, December 4, 2018. Funds for past years were previously allocated via Resolution 2020-5. The Trustee Council evaluated the individual Trustees' remaining balances for Linnton Restoration Site activities and determined that a new allocation among the Trustees was appropriate. Accordingly, the Trustee Council has adjusted the allocation for these activities as follows:

<b>Natural Resource Trustee</b>	<b>Budgeted Amount</b>	<b>Adjusted Allocation Amount</b>
Confederated Tribes of the Grand Ronde Community of Oregon <i>(\$4,400.00 of the adjusted allocation amount is for contractor support by IEc to all of the Trustees)</i>	\$ 4,558.34	<b>\$ 5,600.00</b>
