**CONSENT DECREE**

**I. BACKGROUND**

A. Contemporaneously with lodging this Consent Decree, the United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA") and the Secretary of the United States Department of the Interior ("DOI"), and the State of Oklahoma ("State"), on behalf of the Oklahoma Department of Environmental Quality ("ODEQ"), and the Oklahoma Secretary of the Environment (OSE), filed a complaint against the defendant in this matter ("Settling Defendant") pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9607, (aka Superfund) seeking reimbursement of response costs incurred or to be incurred for response actions taken and damages for injury to, destruction of, or loss of natural resources, including the reasonable costs of assessing such injury destruction or loss, at or in connection with the release or threatened release of hazardous substances at the Double Eagle Superfund Site in Oklahoma City, Oklahoma ("the Site").

U.S. and State of Oklahoma v. 3M Company

B. As a result of the release or threatened release of hazardous substances, EPA, joined by ODEQ, had undertaken response actions at or in connection with the Site under Sections 104 and 106 of CERCLA 42 U.S.C. §§ 9604 and 9606.

C. The total volume of waste sent to the Site has not been established with certainty. Early EPA investigations found total volumetric contributions of over four million gallons. Subsequent Union Pacific Railroad investigations indicated total contributions of approximately 12.7 million gallons.

D. Information currently known to EPA and the ODEQ supplied by Settling Defendant and through records regarding the Site gathered by EPA indicates that:

1. prompt settlement with Settling Defendant is practicable and in the public interest within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. §9622(g)(1) and is appropriate under Section 122(j) of CERCLA, 42 U.S.C. § 9622(j);
2. the payment to be made by Settling Defendant under this Consent Decree involves only a minor portion of the response costs at the Site within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1), based upon EPA's estimate that the total response costs incurred and to be incurred at or in connection with the Site by the EPA Hazardous Substance Superfund, the State, and by other persons is approximately thirty million dollars (\$30,000,000); and

- U.S. and State of Oklahoma v. 3M Company
3. the volumetric contribution of hazardous substances contributed to the Site as represented by Settling Defendant is 3,000 gallons; and the toxic or other hazardous effects of the hazardous substances contributed to the Site by Settling Defendant are minimal in comparison to other hazardous substances at the Site within the meaning of Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A) and the hazardous substances contributed by Settling Defendant to the Site are not significantly more toxic or of significantly greater hazardous effect than other hazardous substances at the Site.

E. Settling Defendant does not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

F. The United States, the State, and Settling Defendant agree that settlement without further litigation and without the admission or adjudication of any issue of fact or law is the most appropriate means of resolving this action with respect to Settling Defendant.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

## **II. JURISDICTION**

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over

U.S. and State of Oklahoma v. 3M Company

Settling Defendant. Settling Defendant consents to and shall not challenge the terms of this

Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

### **III. PARTIES BOUND**

2. This Consent Decree is binding upon the United States, the State, and upon Settling Defendant and its successors and assigns. Any change in ownership or corporate or other legal status of Settling Defendant, including but not limited to, any transfer of assets or real or personal property, shall in no way alter the status or responsibilities of Settling Defendant under this Consent Decree.

### **IV. STATEMENT OF PURPOSE**

3. By entering into this Consent Decree, the mutual objectives of the Parties are:

a. to reach a final settlement among the Parties with respect to the Site pursuant to Section 122(g) of CERCLA, 42 U.S.C. § 9622(g), that allows Settling Defendant to make a cash payment, including a premium, to resolve its alleged civil liability under Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, for injunctive relief with regard to the Site and for response costs incurred and to be incurred at or in connection with the Site, thereby reducing litigation relating to the Site;

b. to simplify any remaining administrative and judicial enforcement activities concerning the Site by eliminating a potentially responsible party from further involvement at the Site; and

U.S. and State of Oklahoma v. 3M Company

c. to obtain settlement with Settling Defendant for its fair share of response costs and natural resource damages incurred and to be incurred at or in connection with the Site by the United States, the State, and by other persons, and to provide for full and complete contribution protection for Settling Defendant with regard to the Site pursuant to Sections 113(f)(2), 122(g)(5), and 122 (j) of CERCLA, 42 U.S.C. §§ 9613(f)(2), 9622(g)(5), 9622(g)(5) and 9622(j).

#### **VIII. CERTIFICATION OF SETTLING DEFENDANT**

U.S. and State of Oklahoma v. 3M Company

in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation, or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Site;

#### **IX. COVENANT NOT TO SUE BY PLAINTIFFS**

15. In consideration of the payments that will be made by Settling Defendant under the terms of this Consent Decree, and except as specifically provided in Section X (Reservations of Rights), the United States and the State covenant not to sue or take administrative action against Settling Defendant pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607 relating to the Site. With respect to present and future liability, this covenant not to sue shall take effect upon receipt of Settling Defendant's payments as required by Section VI of this Consent Decree. U.S. and State of Oklahoma v. 3M Company  
with the Site. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

17. Notwithstanding any other provision of this Consent Decree, the United States and the State reserve, and this Consent Decree is without prejudice to, the right to institute proceedings against Settling Defendant in this action, or in a new action or to issue an administrative order to Settling Defendant seeking to compel Settling Defendant to perform response actions relating to the Site, and/or to reimburse the United States and the State for additional costs of response and natural resource damages if information is discovered which

U.S. and State of Oklahoma v. 3M Company  
indicates that Settling Defendant contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that Settling Defendant no longer qualifies as a *de minimis* party at the Site.

**XI. COVENANT NOT TO SUE BY SETTLING DEFENDANT**

18. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

19. Except as provided in Paragraph 21(Waiver of Claims) and Paragraph 23 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States or the State brings a cause of action or issues an order pursuant to the reservations set forth in Section X, but only to the extent that Settling Defendant's claims arise from the same response

U.S. and State of Oklahoma v. 3M Company  
action or response costs that the United States or the State is seeking pursuant to the applicable reservation.

21. Waiver of Claims. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts or has asserted a claim or cause of action relating to the Site against Settling Defendant.

## **XII. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

22. Except as provided in Paragraph 21 (Waiver of Claims), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 21, the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

U.S. and State of Oklahoma v. 3M Company

Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant action; provided however, that nothing in this Paragraph affects the enforceability of the covenants not to sue included in Section IX.

24. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendant is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), for “matters addressed” in this Consent Decree. Until five (5) years after the entry of this Consent Decree, Settling Defendant shall preserve and retain all records now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

26. After the conclusion of the document retention period in the preceding paragraph, Settling Defendant shall notify EPA, DOJ and the State at least ninety (90) days prior to the

U.S. and State of Oklahoma v. 3M Company

destruction of any such records, and upon request by EPA, DOJ, or the State, Settling Defendant shall deliver any such records to EPA or the State. Settling Defendant may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, they shall provide Plaintiffs with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (*e.g.*, company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. However, no records created or generated pursuant to the requirements of this or any other settlement with the EPA pertaining to the Site shall be withheld on the grounds that they are privileged.
