CONSENT DECREE

1 I. INTRODUCTION

2 The United States, on behalf of the National Oceanic and Atmospheric Administration  
3 “NOAA”) and the United States Department of the Interior; the State of Washington (the  
4 “State”) through the Washington State Department of Ecology; the Puyallup Tribe of Indians;  
5 and the Muckleshoot Indian Tribe (collectively, “Plaintiffs”), have filed a complaint in this case  
6 against defendants Murray Pacific Corporation, a Washington corporation (“Murray Pacific”);  
7 Pan Pacific Trading Corporation, a dissolved Washington corporation whose successor is  
8 Murray Pacific; Boardman Brown; and Mary Jane Anderson (collectively, “Defendants”)  
9 pursuant to Section 107 of the Comprehensive Environmental Response, Compensation and  
10 Liability Act of 1980, as amended (CERCLA), 42 U.S.C. § 9607; the Model Toxics Control  
11 Act (MTCA), chapter 70.105D RCW; Section 311 of the Clean Water Act (CWA), 33 U.S.C. §  
12 321; and Section 1002(b)(2)(A) of the Oil Pollution Act of 1990 (OPA), 33 U.S.C. §  
13 2702(b)(2)(A). This Consent Decree (the “Decree”) addresses the claims asserted in the  
14 Complaint against Defendants for Natural Resource Damages (as defined below) in the  
15 Commencement Bay Environment (as defined below).

16 II. RECITALS

17 A. The United States Department of Commerce, acting through NOAA; the  
18 Department of the Interior; the Washington State Department of Ecology on behalf of the State of  
19 Washington; the Puyallup Tribe of Indians; and the Muckleshoot Indian Tribe (collectively, the  
20 “Trustees” and, individually, a “Trustee”), under the authority of Section 107(f) of CERCLA, 42  
21 U.S.C. § 9607(f), Section 1006(b) of OPA, 33 U.S.C. § 2706(b), and 40 C.F.R. Part 300, subpart  
22 G, serve as trustees for natural resources for the assessment and recovery of damages for injury  
23 to, destruction of, and loss of natural resources under their trusteeship.

24 B. Investigations conducted by the United States Environmental Protection Agency  
25

1 (“EPA”), the Trustees, and others have detected hazardous substances in the sediments, soils and  
2 groundwater of the Commencement Bay Environment, including but not limited to arsenic,  
3 antimony, cadmium, chromium, copper, mercury, nickel, lead, zinc, bis(2-ethylhexyl)-phthalate,  
4 hexachlorobenzene, hexachlorobutadiene, polycyclic aromatic hydrocarbons (“PAHs”), and  
5 polychlorinated biphenyls (PCBs). Overall, the Trustees have documented the presence of over 30  
6 hazardous substances in the marine sediments of Commencement Bay’s Hylebos Waterway.

7 C. The Trustees began assessing natural resource damages in the Commencement Bay  
8 environment in October 1991 by finding that hazardous substances had been released into the  
9 Commencement Bay environment; that public trust natural resources had likely been injured by  
10 the releases; that data sufficient to pursue a natural resource damage assessment were available or  
11 could likely be obtained at a reasonable cost; and that, without further action, implemented and  
12 planned response actions would not adequately remedy the resource injuries. *See* Preassessment  
13 Screen of Natural Resource Damages in the Commencement Bay Environment Due to Activities  
14 Taking Place In and About the Commencement Bay/Nearshore Tidelands (CB/NT) Superfund Site  
15 (October 29, 1991). The Trustees notified representatives of known potentially responsible  
16 parties (“PRPs”) of their intent to conduct a damage assessment. The Trustees subsequently  
17 entered into a Funding and Participation Agreement for Phase 1 of the Commencement Bay-Wide  
18 Natural Resource Damage Assessment, dated February 10, 1993, with several of the major PRPs.  
19 The Trustees published a report on the results of Phase 1 of the damage assessment process in  
20 June 1995. The PRPs did not participate in subsequent stages of the damage assessment, and the  
21 Trustees continued the process independently. The Trustees have now completed a series of  
22 studies during Phase 2 of the damage assessment, focusing on impacts of contaminants on marine  
23 sediments, benthic organisms, flatfish and salmonids. Results of those studies were published in a  
24 series of reports, consisting of Commencement Bay Natural Resource Trustees, 1996, Hylebos

8 Eberhart, Tracy K. Collier, Margaret M. Krahn and John E. Stein, 1998, Exposure of Juvenile  
9 Chinook Salmon to Chemical Contaminants Specific to the Hylebos Waterway. Based on this  
10 research, the Plaintiffs and Defendants (collectively, the “Parties” and, individually, a “Party”)  
11 agree that no further natural resource damage assessment is required to effectuate the purposes of  
12 this Consent Decree, with respect to Defendants.

13 D. Plaintiffs have filed a complaint (the “Complaint”) pursuant to section 107 of  
14 CERCLA, 42 U.S.C. § 9607; MTCA, chapter 70.105D RCW; CWA, 33 U.S.C. §§ 1251 et seq.;  
15 and OPA, 33 U.S.C. §§ 2701 et seq., seeking recovery from Defendants of damages for injury to,  
16 destruction of, and loss of natural resources resulting from releases of hazardous substances into  
17 the Commencement Bay Environment.

18 E. Plaintiffs allege in the Complaint that Defendants own or in the past owned and/or  
19 operated real property or facilities from which storm water, surface water runoff, wastewater,  
20 other process discharges, and/or groundwater have flowed to the Commencement Bay  
21 Environment. Plaintiffs also allege that investigations by EPA and others have detected  
22 concentrations of hazardous substances in soils, groundwater and sediments on or in those  
23 properties or facilities. Some of these hazardous substances are found in the sediments of the  
24 Commencement Bay Environment.

1 F. Plaintiffs further allege that hazardous substances have been or are being released  
2 to the Commencement Bay Environment from properties or facilities owned and/or operated by  
3 Defendants through direct discharge, surface water runoff, groundwater and seeps, and that those  
4 hazardous substances have caused injury to, destruction of and loss of natural resources in the  
5 Commencement Bay Environment under Plaintiffs' trusteeship, including fish, shellfish,  
6 invertebrates, birds, marine sediments, and resources of cultural significance. Plaintiffs further  
7 allege that each of them and the public have suffered the loss of natural resource services  
8 (including ecological services as well as direct and passive human use losses) as a consequence of  
9 those injuries.

10 G. Plaintiffs allege that each Defendant is (a) the owner and/or operator of a vessel or  
11 a facility; (b) a person who at the time of disposal or release of any hazardous substance owned or  
12 operated any facility at which such hazardous substances were disposed of; (c) a person who by  
13 contract, agreement, or otherwise arranged for disposal or treatment, or arranged with a  
14 transporter for transport for disposal or treatment, of hazardous substances owned or possessed  
15 by such person, by any other party or entity, or otherwise generated any hazardous substance  
16 disposed of or treated, at any facility or incineration vessel owned or operated by another party or  
17 entity and containing such hazardous substances; and/or (d) a person who accepts or accepted any  
18 hazardous substances for transport to disposal or treatment facilities, incineration vessels or sites  
19 selected by such person from which there is a release or a threatened release of a hazardous  
20 substance that causes the incurrence of response costs within the meaning of 42 U.S.C. § 9607  
21 and RCW 70.105D.040.

22 H. Defendants deny all the allegations of the Complaint.

23 I. Although the Trustees have initiated but not yet completed a natural resource  
24 damage assessment for the Commencement Bay Environment, the Trustees have developed and  
25

1 analyzed information sufficient to support a settlement that is fair, reasonable and in the public  
2 interest.

3 J. To facilitate resolving natural resource damage claims, the Trustees developed a  
4 proposed allocation of Hylebos Waterway Natural Resource Damages liability among Hylebos  
5 Waterway PRPs solely for settlement purposes. Relying upon the results of the  
6 damage-assessment studies, remedial investigations, regulatory standards, and scientific literature,  
7 the Trustees first developed an estimate of the amount of injury to natural resources that had  
8 occurred as a result of releases of hazardous substances to the Hylebos Waterway. The Trustees  
9 quantified the effects of the injuries in terms of the losses of ecological services over affected  
10 areas of the waterway and over time, discounted to the current year. The Trustees used the term  
11 discounted ecological service acre-years (DSAYs) to describe both the scale of the injuries, and  
12 the amount of habitat restoration they are seeking to compensate for the injuries. For the Hylebos  
13 Waterway, the Trustees are seeking to recover from all PRPs funds, property and/or in-kind  
14 services needed to generate habitat restoration sufficient to compensate for the loss of 1526.77  
15 DSAYs.

16 K. Plaintiffs assert that hazardous-substance releases to the Hylebos Waterway have  
17 become dispersed and commingled to the extent that the effects of one PRP's releases cannot be  
18 readily distinguished from another's. Plaintiffs further assert that the circumstances of the  
19 Hylebos Waterway contamination make all PRPs who contributed to the contamination jointly  
20 and severally liable for all injuries to natural resources that have resulted from the contamination.  
21 As a consequence, Plaintiffs assert the right to recover for the loss of all 1526.77 DSAYs from  
22 any Hylebos Waterway PRP. Without prejudice to their position, and solely for purposes of  
23 facilitating settlement with individual PRPs, the Trustees have developed a proposal for  
24 allocating liability for the 1526.77 DSAYs among the PRPs. Independent consultants hired by

1 the Trustees reviewed existing information from the files of EPA, the Washington State  
2 Department of Ecology, and local public libraries to allocate liability among the various Hylebos  
3 Waterway facilities that contributed to the contamination.

4 L. To insure that all PRPs had an equal opportunity to be informed of and to offer  
5 their views on the Trustees' settlement proposal, in April 2002 the Trustees presented their  
6 report on the proposed allocation to the public for notice and comment. The Trustees took  
7 comments for 60 days, revised the report based upon the comments received, and made it  
8 available to PRPs in final form.

9 M. The Trustees' report allocated liability for DSAY losses for settlement purposes  
10 among the various industrial sites along the Hylebos Waterway. A number of the sites have been  
11 owned or operated by different PRPs over the years, and consequently more than one PRP may  
12 share responsibility for the losses allocated to such sites. The Trustees' report did not include a  
13 formula for suballocating among the parties involved the DSAY losses attributed to such a site.  
14 Plaintiffs allege that Defendants or some of Defendants at various times have owned or operated  
15 facilities on or otherwise incurred liability for natural resource damages at four different Hylebos  
16 Waterway sites either concurrently or sequentially with other PRPs. Those sites are identified in  
17 the Trustees' report by the names Murray Pacific, Site 29; Port of Tacoma (3002 Taylor Way),  
18 Site 13; US Gypsum, Site 18; and B&L Landfill, Site 8. To determine an appropriate settlement  
19 with Defendants, the Trustees developed an approach for dividing the DSAY losses allocated to  
20 these sites between Defendants and other PRPs whom the Trustees allege share responsibility for  
21 hazardous-substance releases from the sites. The approach employed by the Trustees results in  
22 allocating a total of 5.316 DSAYs to Defendants.

23 N. The Trustees quantified natural resource damages in their Hylebos Waterway  
24 report in terms of DSAYs in order to encourage settling parties to resolve their liability by  
25

1 constructing habitat restoration projects. For parties who prefer settling on a cash-damages  
2 basis, the Trustees reviewed data from existing restoration projects and estimated it would cost  
3 fifty-two thousand dollars (\$52,000.00) per DSAY if the Trustees themselves constructed the  
4 required restoration projects. The cash damages equivalent of the 5.316 DSAYs allocated to  
5 Defendants totals two hundred seventy-six thousand four hundred thirty-two dollars  
6 (\$276,432.00). Parties liable for natural resource damages are also liable for the reasonable costs  
7 of assessing the damages. 42 U.S.C. § 9607(a)(4)(C). The Trustees allocated to Defendants  
8 liability for thirty thousand six hundred sixty-nine dollars and seventy cents (\$30,669.70) in  
9 damage assessment costs. The dollar value of the Trustees' claim asserted against Defendants  
10 totals three hundred seven thousand one hundred one dollars and seventy cents (\$307,101.70).  
11 The Trustees have agreed to settle their natural resource damage claims against Defendants  
12 associated with the Commencement Bay Environment for cash payments totaling three hundred  
13 two thousand dollars (\$302,000.00) in natural resource damages and damage assessment costs.  
14 Murray Pacific has agreed to pay the Trustees the identified sum in return for the Trustees'  
15 covenants not to sue Defendants for Natural Resource Damages as provided below in Paragraph  
16 2.

17 O. Defendants do not admit any liability to Plaintiffs arising out of the transactions or  
18 occurrences alleged in the Complaint.

19 P. Plaintiffs and Defendants agree, and this Court by entering this Decree finds, that  
20 this Decree has been negotiated by the Parties in good faith; that settlement of this matter will  
21 avoid prolonged and complicated litigation between the Parties; and that this Decree is fair,  
22 reasonable, and in the public interest.

23 THEREFORE, with the consent of the Parties to this Decree, it is ORDERED,  
24 ADJUDGED, AND DECREED:

III. JURISDICTION

1           1.       This Court has jurisdiction over the subject matter of this action pursuant to 28  
2 U.S.C. §§ 1331, 1345 and 1367, and 42 U.S.C. §§ 9607 and 9613(b). The Court has personal  
3 jurisdiction over the Parties. Solely for the purposes of this Decree and the underlying  
4 Complaint, the Parties waive all objections and defenses that they may have to jurisdiction of the  
5 Court or to venue in this District. The Parties may not challenge the terms of this Decree or this  
6 Court's jurisdiction to enter and enforce this Decree.

IV. PARTIES BOUND

7  
8           2.       This Decree is binding upon the United States, the State, the Puyallup Tribe of  
9 Indians, the Muckleshoot Indian Tribe and upon Defendants and their heirs, successors and  
10 assigns. Any change in ownership or corporate or other legal status, including but not limited to  
11 any transfer of assets or real or personal property, will in no way alter the status or  
12 responsibilities of Defendants under this Decree.

V. DEFINITIONS

13  
14           3.       Unless otherwise expressly provided, terms used in this Decree that are defined in  
15 CERCLA or in regulations promulgated under CERCLA have the meanings assigned to them in  
16 CERCLA or in such regulations. Whenever the terms listed below are used in this Decree or in  
17 any attached appendix, the following definitions will apply:

18               a.       “CERCLA” means the Comprehensive Environmental Response,  
19 Compensation, and Liability Act of 1980, as amended, 42 U.S.C. § 9601, et seq.

20               b.       “Commencement Bay Environment” means the waters of Commencement  
21 Bay, State of Washington -- including the shoreline, intertidal areas, tributaries, drainage areas,  
22 estuaries and bottom sediments -- lying south of a line drawn from Point Defiance to Dash  
23 Point. These waters include the Thea Foss Waterway, Wheeler-Osgood Waterway, Middle  
24 Waterway, St. Paul Waterway, Puyallup River from the mouth south to the present City limits,  
25 Milwaukee Waterway, Sitcum Waterway, Blair Waterway, and Hylebos Waterway. This area

1 includes but is not limited to the Commencement Bay Nearshore/Tideflats Superfund Site, as  
2 identified or amended by the EPA, including the B&L Landfill, and areas affected by releases of  
3 hazardous substances within the Commencement Bay Nearshore/Tideflats Superfund Site.

4 c. "Consent Decree" or "Decree" means this Consent Decree and all  
5 attached appendices. In the event of conflict between this Decree and any appendix, the Decree  
6 will control.

7 d. "Day" means a calendar day. In computing any period of time under this  
8 Decree, where the last day falls on a Saturday, Sunday, or federal holiday, the period will run  
9 until the close of business of the next working day.

10 e. "Defendants" mean Murray Pacific, Pan Pacific Trading Corporation,  
11 Boardman Brown, and Mary Jane Anderson.

12 f. "DOJ" means the United States Department of Justice and any successor  
13 departments, agencies, or instrumentalities of the United States.

14 g. "Interest" means interest at the rate specified for interest on investments  
15 of the EPA Hazardous Substance Superfund established by 26 U.S.C. § 9507, compounded  
16 annually on October 1 of each year in accordance with 42 U.S.C. § 9607(a). The applicable rate  
17 of interest is the rate in effect at the time the interest accrues. The rate of interest is subject to  
18 change on October 1 of each year.

19 h. "Natural Resources" has the meaning provided in section 101(16) of  
20 CERCLA, 42 U.S.C. § 9601(16).

21 i. "Natural Resource Damages" means damages, including costs of damage  
22 assessment, recoverable under Section 107 of CERCLA, 42 U.S.C. § 9607; Chapter 70.105D  
23 RCW; Section 311 of the Clean Water Act (CWA), 33 U.S.C. § 1321; and Section  
24 1002(b)(2)(A) of the Oil Pollution Act of 1990 (OPA), 33 U.S.C. § 2702(b)(2)(A), for injury to,  
25 destruction of, or loss of Natural Resources resulting from releases of hazardous substances or

1 discharges of oil at or from the Commencement Bay Nearshore/Tideflats Superfund Site.

2 j. "Paragraph" means a portion of this Decree identified by an Arabic  
3 numeral or an upper or lower case letter.

4 k. "Parties" mean the United States, the State of Washington, the Puyallup  
5 Tribe of Indians, the Muckleshoot Indian Tribe, Murray Pacific Corporation, Pan Pacific Trading  
6 Corporation, Boardman Brown, and Mary Jane Anderson.

7 l. "Plaintiffs" mean the United States, the State, the Puyallup Tribe of  
8 Indians, and the Muckleshoot Indian Tribe.

9 m. "Commencement Bay Restoration Account" means the Commencement  
10 Bay Natural Resource Restoration Account authorized by the Order Directing the Deposit of  
11 Natural Resource Damages into the Registry of the Court in United States v. Port of Tacoma,  
12 No. C93-5462B (W.D. Wash. Oct. 8, 1993) (attached as Appendix A).

13 n. "Section" means a portion of this Consent Decree identified by a Roman  
14 numeral.

15 o. "State" means the State of Washington.

16 p. "Trustees" mean the United States Department of Commerce, acting  
17 through NOAA and the Department of the Interior; the Washington State Department of  
18 Ecology, on behalf of the State of Washington; the Puyallup Tribe of Indians; and the  
19 Muckleshoot Indian Tribe.

20 q. "United States" means the United States of America, including its  
21 departments, agencies, and instrumentalities.

22 VI. PAYMENT OF NATURAL RESOURCE DAMAGES

23 AND DAMAGE ASSESSMENT COSTS

24 4. Within 30 days of entry of this Decree, Murray Pacific, for itself and on behalf of  
25 the other Defendants, will pay to the Trustees two hundred seventy-one thousand eight hundred

1 thirty-nine dollars and eighty cents (\$271,839.80) for Natural Resource Damages. This payment  
2 will be made by a certified check made payable to the Clerk of the Court. This check will be  
3 deposited in the Commencement Bay Natural Resource Restoration Account.

4 5. Within 30 days of entry of this Decree, Murray Pacific, for itself and on behalf of  
5 the other Defendants, will pay to the Trustees the sum of thirty thousand one hundred sixty  
6 dollars and twenty cents (\$30,160.20) in damage assessment costs. This payment will be made by  
7 certified checks, bearing the notation "Murray Pacific - Commencement Bay Assessment Costs"  
8 (or an alternate notation as specified below), in the amounts indicated and made payable and  
9 addressed as follows:

14 6. At the time of each payment Murray Pacific will send notice that payment has  
15 been made to the Trustees and DOJ in accordance with Section XIII (Notices and Submissions).  
16 Such notice will reference Commencement Bay NRDA, DOJ case number 90-11-2-1049, and the  
17 civil action number.

18 VII. FAILURE TO COMPLY WITH CONSENT DECREE

19 7. Interest on Late Payments. If Murray Pacific fails to make the payments under  
20 Paragraphs 4 and 5 by the required due date, Interest will continue to accrue on the unpaid  
21 balance through the date of payment.

22 8. Stipulated Penalties.

23 a. If any amounts due under Paragraphs 4 and 5 are not paid by the required  
24 date, Murray Pacific will be in violation of this Decree and will pay a stipulated penalty of \$1,000  
25 per violation per day that such payment is late to the Commencement Bay Restoration Account

1 in addition to the Interest required by Paragraph 7.

2 b. Stipulated penalties are due and payable within 30 days of the date of the  
3 demand for payment of the penalties by a Trustee. All payments will be made by a certified  
4 check made payable to the Clerk of the Court. This check will be deposited in the  
5 Commencement Bay Restoration Account.

6 c. At the time of each payment, Murray Pacific will send notice that payment  
7 has been made to the Trustees and DOJ in accordance with Section XIII (Notices and  
8 Submissions). This notice will reference Commencement Bay NRDA, DOJ Case Number  
9 90-11-2-1049, and the civil action number.

10 d. Penalties will accrue as provided in this Paragraph regardless of whether  
11 the Trustees have notified Murray Pacific of the violation or made a demand for payment, but the  
12 penalties need only be paid upon demand. All penalties will begin to accrue on the day after  
13 payment is due and will continue to accrue through the date of payment. Nothing in this Decree  
14 prevents the simultaneous accrual of separate penalties for separate violations of this Decree.

15 9. If Plaintiffs bring an action to enforce this Decree, Murray Pacific will reimburse  
16 Plaintiffs for all costs of such action, including but not limited to costs of attorney time.

17 10. Payments made under this Section are in addition to any other remedies or  
18 sanctions available to Plaintiffs by virtue of Murray Pacific's failure to comply with the  
19 requirements of this Decree.

20 11. Notwithstanding any other provision of this Section, Plaintiffs may, in their  
21 unreviewable discretion, waive payment of any portion of the stipulated penalties that have  
22 accrued pursuant to this Decree. Payment of stipulated penalties does not excuse Murray Pacific  
23 from payment as required by Section VI or from performance of any other requirement of this  
24 Consent Decree.

25 VIII. COVENANT NOT TO SUE BY PLAINTIFFS

1 12. Except as specifically provided in Section IX (Reservations of Rights) below,  
2 Plaintiffs covenant not to sue or to take administrative action against Defendants pursuant to  
3 Section 107(a) of CERCLA, 42 U.S.C. § 9607(a); Chapter 70.105D RCW; Section 311 of the  
4 Clean Water Act (CWA), 33 U.S.C. § 1321; or Section 1002(a) of the Oil Pollution Act of 1990  
5 (OPA), 33 U.S.C. § 2702(a), to recover Natural Resource Damages for releases of hazardous  
6 substances into the Commencement Bay Environment. This covenant not to sue will take effect  
7 upon receipt by the Registry of the Court of all payments required by Section VI, Paragraph 4  
8 (Payment of Natural Resource Damages), receipt by each of the Trustees of all payments required  
9 by Section VI, Paragraph 5, and any amount due under Section VII (Failure to Comply with  
10 Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by  
11 Defendants of their obligations under this Decree. This covenant not to sue extends only to  
12 Defendants and their heirs, successors, and assigns, and does not extend to any other person.

13 IX. RESERVATIONS OF RIGHTS

14 13. Plaintiffs reserve, and this Decree is without prejudice to, all rights against  
15 Defendants with respect to all matters not expressly included within the Covenant Not to Sue by  
16 Plaintiffs in Paragraph 12. Notwithstanding any other provision of this Decree, Plaintiffs reserve  
17 all rights against Defendants, and this Decree is without prejudice to, all rights against Defendants  
18 with respect to:

- 19 a. liability for failure of Defendants to meet a requirement of this Decree;  
20 b. liability for costs of response incurred or to be incurred by Plaintiffs;  
21 c. liability for injunctive relief or administrative order enforcement under Section 106 of  
22 CERCLA, 42 U.S.C. § 9606; and  
23 d. criminal liability to the United States or State.

24 X. REOPENERS

1 14. Notwithstanding any other provision of this Consent Decree, the Plaintiffs reserve,  
2 and this Consent Decree is without prejudice to, the right to institute proceedings against  
3 Defendants in this action or in a new action for:

4 a. Claims based on a failure of the Defendants to satisfy the requirements of this  
5 Consent Decree; and

6 b. Additional claims for Natural Resource Damages if conditions, factors or  
7 information in the Commencement Bay Environment, not known to the Trustees at the time of  
8 entry of this Consent Decree, are discovered that, together with any other relevant information,  
9 indicates that there is a threat to the environment, or injury to, destruction of, or loss of natural  
10 resources of a type unknown, or of a magnitude significantly greater than was known, at the time  
11 of entry of this Consent Decree, which are attributable to the Defendants.

12 XI. COVENANT NOT TO SUE BY DEFENDANTS

13 15. Defendants covenant not to sue and agree not to assert any claims or causes of  
14 action against the United States, the State, the Puyallup Tribe of Indians and the Muckleshoot  
15 Indian Tribe or their contractors or employees, for any civil claims or causes of action relating to  
16 Natural Resource Damages.

17 XII. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

18 16. Nothing in this Decree may be construed to create any rights in, or grant any cause  
19 of action to, any person not a Party to this Decree. The Parties expressly reserve any and all  
20 rights (including, but not limited to, any right to contribution), defenses, claims, demands, and  
21 causes of action that they may have with respect to any matter, transaction, or occurrence relating  
22 in any way to the Commencement Bay Nearshore/Tideflats Superfund Site against any third party

23 17. The Parties agree, and by entering this Decree this Court finds, that Defendants are  
24 entitled as of the date of entry of this Decree to protection from contribution actions or claims as

1 provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) and RCW 70.105D.040(4)(d)  
2 for Natural Resource Damages.

3 18. Defendants agree that they will notify the Trustees and DOJ in writing no later  
4 than 60 days before bringing a suit or claim for contribution for natural resource damages in the  
5 Commencement Bay Environment. Defendants also agree that they will notify the Trustees and  
6 DOJ in writing within 10 days of service of a complaint or claim upon them relating to a suit or  
7 claim for contribution for natural resource damages in the Commencement Bay Environment. In  
8 addition, Defendants will notify the Trustees and DOJ within 10 days of service or receipt of any  
9 Motion for Summary Judgment and within 10 days of receipt of any order from a court setting a  
10 case for trial for matters related to this Decree.

11 19. In any subsequent administrative or judicial proceeding initiated by Plaintiffs for  
12 injunctive relief, recovery of response costs, or other relief relating to the Commencement Bay  
13 Environment, Defendants may not assert waiver, res judicata, collateral estoppel claim-splitting,  
14 or other defenses based upon any contention that the claims raised by the United States or the  
15 Trustees in the subsequent proceeding were or should have been brought in the instant case  
16 involving NRDA damages; provided, however, that nothing in this Paragraph affects the  
17 enforceability of the Covenant Not to Sue by Plaintiffs set forth in Section VIII.

18 XIII. NOTICES AND SUBMISSIONS

19 20. Whenever notice is required to be given or a document is required to be sent by  
20 one Party to another under the terms of this Decree, it will be directed to the individuals at the  
21 addresses specified below, unless those individuals or their successors give notice of a change to  
22 the other Parties in writing. Written notice as specified constitutes complete satisfaction of any  
23 written notice requirement of the Decree for Plaintiffs and Defendants.

6  
7 XIV. RETENTION OF JURISDICTION

8 21. This Court will retain jurisdiction over this matter for the purpose of interpreting  
9 and enforcing the terms of this Decree.

10 XV. INTEGRATION/APPENDICES

11 22. This Decree and its appendices constitute the final, complete, and exclusive  
12 agreement and understanding with respect to the settlement embodied in this Decree. The Parties  
13 acknowledge that there are no representations, agreements, or understandings relating to the  
14 settlement other than those expressly contained in this Decree. The following appendices are  
15 attached to and incorporated into this Consent Decree: Appendix A is the Order Directing the  
16 Deposit of Natural Resource Damages into the Registry of the Court in United States v. Port of  
17 Tacoma, No. C93-5462B (W.D. Wash. Oct. 8, 1993).

18 XVI. LODGING AND OPPORTUNITY FOR PUBLIC COMMENT

19 23. This Decree will be lodged with the Court for a period of not less than 30 days for  
20 public notice and comment. The Plaintiffs each reserve the right to withdraw or withhold their  
21 consent if the comments regarding the Decree disclose facts or considerations that indicate this  
22 Decree is inappropriate, improper, or inadequate. Defendants consent to the entry of this Decree  
23 without further notice.

24 24. If for any reason this Court declines to approve this Decree in the form presented,  
25 this agreement may be voided at the sole discretion of any Party, and the terms of the agreement

1 may not be used as evidence in any litigation between the Parties.

2 XVII. SIGNATORIES/SERVICE

3 25. The Assistant Attorney General for the Environment and Natural Resources  
4 Division of the United States Department of Justice and each undersigned representative of the  
5 State, the Puyallup Tribe of Indians, the Muckleshoot Indian Tribe and the Defendants certifies  
6 that he or she is authorized to enter into the terms and conditions of this Decree and to execute  
7 and bind legally the Party that he or she represents to this document.

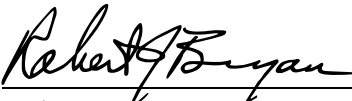

8 26. Defendants agree not to oppose entry of this Decree by this Court or to challenge  
9 any provision of this Decree unless any Plaintiff has notified Defendants in writing that it no  
10 longer supports entry of the Decree.

11 27. Defendants will identify on the attached signature page the name and address of an  
12 agent who is authorized to accept service of process by mail on behalf of that Party with respect  
13 to all matters relating to this Decree. Defendants agree to accept service in that manner and to  
14 waive the formal service requirements set forth in Rule 4 of the Federal Rules of Civil Procedure  
15 and any applicable local rules of this Court, including but not limited to service of a summons.

16 XVIII. FINAL JUDGMENT

17 28. Upon approval and entry of this Decree by the Court, this Decree will constitute  
18 the final judgment between and among the United States, the State, the Puyallup Tribe of Indians,  
19 the Muckleshoot Indian Tribe, and Defendants. The Court finds that there is no just reason for  
20 delay and therefore enters this judgment as a final judgment under Fed. R. Civ. P. 54 and 58.

21  
22 IT IS SO ORDERED THIS 9<sup>th</sup> DAY OF DECEMBER, 2005.
