I. INTRODUCTION

1. The United States and the Commonwealth have filed claims against MCC, CPC and WQIS in the United States District Court for the District of Puerto Rico (Civil No. 94-1019 (CCC) consolidated with Civil Nos. 94-1047, 94-1058, 95-1917, 94-1919 and 97-1020) ("the Puerto Rico Litigation"). In addition, the United States has claims under the Oil Pollution Act of 1990, 33 U.S.C. §2701 et seq. for natural resource damages. These claims were concluded and resolved in the negotiations leading to this Agreement.

2. In their claims, the United States and the Commonwealth seek to recover from MCC, CPC and WQIS, among other defendants, costs and damages resulting from the January 7, 1994 grounding of the T/B MORRIS J. BERMAN on an alleged reef off Punta Escambron, San Juan, Puerto Rico, and/or from the actual or threatened release of oil, including: oil spill cleanup and response costs allegedly incurred; alleged economic loss or injury; subrogated oil spill damages claims; damages for alleged injury to, destruction of, loss of, or loss of use of natural resources, including the reasonable costs of assessing such damages; and damages to real and personal property. This incident allegedly occurred upon the navigable waters of the United States and Puerto Rico. The United States undertook response and removal actions to contain and cleanup oil from the grounding of the T/B MORRIS J. BERMAN and to prevent further spillage and they have been concluded.

3. The United States and the Commonwealth sought this relief under the Oil Pollution Act of 1990 ("OPA"), 33 U.S.C. § 2701, et seq.; the Federal Water Pollution Control

Act, 33 U.S.C. § 1251, et seq. ("FWPCA"); the Rivers and Harbors Act, 33 U.S.C. § 407, et seq.; the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), 42 U.S.C. § 9601, et seq.; the Laws of the Commonwealth of Puerto Rico, including but not limited to the Public Policy Environmental Act, as amended, 31 LPRA § 1121, et seq.; the Environmental Quality Board Organic Act, as amended, 12 LPRA § 1128, et seq.; the Puerto Rico Environmental Emergencies Fund Act, as amended, 12 LPRA § 1271, et seq.; the Water Pollution Control Act, as amended, 24 LPRA § 591, et seq.; the Commonwealth of Puerto Rico Tort Statute, 31 LPRA § 5141, et seq.; and general maritime law.

4. The parties to this Agreement recognize that settlement of the claims in the Puerto Rico Litigation against MCC, CPC and WQIS and the claims under the Oil Pollution Act of 1990, 33 U.S.C. § 2701 *et seq* for natural resource damages is fair, equitable and in the public interest, that the settlement is made in good faith, and that this Agreement appropriately resolves the matters covered herein.

In particular, and without limitation, the United States hereby releases CPC from all such civil claims arising from or relating to the Grounding and Oil Spill, including all subrogated claims, under OPA, FWPCA, the Clean Water Act, CERCLA, the Rivers and Harbors Act of 1899, the general maritime law, and other federal, state, or commonwealth law, regulation or policy, or any other

- k. Economic loss or injury, including the costs of assessing such damages;
- l. All uncompensated costs incurred by the Commonwealth for developing and implementing plans for the restoration, rehabilitation, replacement or acquisition of the equivalent of damaged resources;
- m. Damages for loss of revenue, including loss of taxes, royalties, rents, fees or profits due to the destruction of or injury to the property or natural resources of the Commonwealth;
- n. Damages for loss or impairment of earning capacity due to the destruction of or injury to the property or natural resources of the Commonwealth;

- o. Damages for costs incurred by the Commonwealth in providing additional public services during or due to removal activities; and
- p. Any other items of damages to which the Commonwealth may be entitled under law.

In the event that the funds described in Paragraph "9" are not received by the escrow agent by April 30, 2002, the Commonwealth specifically reserves its right to enforce the terms and conditions of payment described in Paragraph "9" of this Agreement against CPC in any court of competent jurisdiction to hear such claims.

13. **Release by MCC, CPC, WQIS, Bunker Group Puerto Rico, Inc., Bunker Group, Inc., New England Marine Services, Inc.** Upon execution of this Agreement by each of the parties to it and payment of the funds described in Paragraphs "6," "7," "8," and "10" MCC, CPC, WQIS, Bunker Group Puerto Rico, Inc., Bunker Group, Inc., and New England Marine Services, Inc., hereby fully release the United States and the Commonwealth from any and all claims relating to the Grounding and Oil Spill and the Puerto Rico Litigation.

14. Notwithstanding the provisions of paragraphs "11", "12" and "13" above, a party to this Agreement may assert claims against another party hereto for breach of this Agreement

VII. CRISTAL FUNDS

15. Upon and after the execution of this Agreement by each of the parties to it, and the consummation of the settlement, the United States and the Commonwealth will unequivocally and fully withdraw in a form satisfactory to CRISTAL, MCC, and CPC the claims previously asserted and presented to CRISTAL by the United States and the Commonwealth relating to the Grounding and Oil Spill and will thereafter reasonably cooperate and work in good faith, subject to the applicable laws and regulations, with MCC and CPC to facilitate their

efforts to recover funds from CRISTAL on MCC's and CPC's claims to CRISTAL arising out of the Grounding and Oil Spill, provided that any out of pocket witness travel, per diem, and lost wage expenses incurred by the Commonwealth or the United States will be pre-approved and prepaid by MCC and/or CPC.

**VIII. FURTHER UNDERTAKINGS BY MCC, CPC & WOIS UPON
CONSUMMATION OF SETTLEMENT**

16. MCC is seeking separate recovery of available insurance funds from Westchester Fire Insurance Company for property damage claims. If the settlement is consummated, MCC shall share with the United States and the Commonwealth on a net basis (after deduction of all reasonable costs and expenses incurred in pursuing the insurance funds) fifty (50) percent of any indemnity recovery up to a maximum, total allocation to the United States and the Commonwealth of Four Million Dollars (\$4,000,000). MCC shall keep the United States and the Commonwealth informed of the status of the efforts, if any, to obtain this insurance recovery. If the settlement is consummated, and if thereafter MCC decides to abandon the effort to recover these insurance funds, MCC shall assign its rights to pursue this recovery to the United States and to the Commonwealth. Any recovery from Westchester that the United States and the Commonwealth may share in as contemplated by this Paragraph does not include any recovery of defense costs incurred in the Puerto Rico Litigation.

17. Upon the execution of this Agreement by each of the parties to it and payment of all the funds described in Paragraph "6," "7," "8," and "10", the claims by MCC and the Commonwealth which were submitted to the Oil Spill Liability Trust Fund for damages arising out of the Grounding and Oil Spill shall be deemed withdrawn. All parties to this Agreement,

except as described below, agree that no claims or potential claims they may have now or in the future arising out of the Grounding and the Oil Spill may be made against the Oil Spill Liability Trust Fund, subject to fulfillment of the terms of this Agreement. Notwithstanding the above, WQIS submitted a claim to the Oil Spill Liability Trust Fund on December 15, 1998 for \$9,558,377, which claim remains pending. Nothing in this Agreement binds or otherwise affects the adjudication of WQIS' claim by the United States.

18. Upon the entry of dismissal provided for in Paragraph "19," MCC shall provide to counsel for the Commonwealth, appropriate documentation abandoning the defense of the in rem claims instituted by the Commonwealth against the M/V EMILY S and abandoning any rights to the proceeds of the judicial sale of the M/V EMILY S presently held in the registry of the U.S. District Court in San Juan. MCC agrees to reasonably cooperate and work in good faith with the Commonwealth in providing and/or executing such documents as may become necessary and appropriate to assist the Commonwealth in the recovery of the proceeds of the judicial sale, provided that any out of pocket witness travel, per diem, and lost wage expenses incurred by MCC will be pre-approved and prepaid by the Commonwealth.

IX. DISMISSAL OF CLAIMS

19. Within ten (10) days after the execution of this Agreement by all parties to it, and with the concurrence of CPC, WQIS, Bunker Group Puerto Rico, Bunker Group, Inc., and New England Marine Services, Inc., the United States and the Commonwealth shall jointly petition the District Court in Puerto Rico for an order dismissing with prejudice all claims in the Puerto Rico Litigation against, inter alia, MCC, WQIS, Bunker Group Puerto Rico, Inc., Bunker Group, Inc., New England Marine Services, Inc., CPC, Reliance National Insurance Company, Peter

Frank, Jane Kresch, and Pedro Rivera, including all contribution claims against MCC. The dismissal shall be effectuated by entry of an order of the court and shall incorporate this Agreement by appending it to the order of dismissal. No consent decree shall be entered.

However, the entry of an order of dismissal with prejudice shall in no way extinguish the obligations of CPC under Paragraph "9" of this Agreement or the rights of the United States or the Commonwealth to assert claims against CPC for the breaches of these obligations.

If the dismissal referred to in this Paragraph is not ordered within one hundred twenty (120) days after the execution of this Agreement by each of the parties to it, then by mutual consent and written agreement of all the parties, this Agreement may be declared no longer effective. Should all parties not consent, any party may proceed in Court to seek an order terminating its obligations under this Agreement. In the event of termination of this Agreement for the reasons set forth in this Paragraph, the parties holding funds in trust shall be obligated to promptly return the monies, and any interest earned on these monies, referred to in Paragraphs "6," "7," "8," "9" (if paid) and "10" by wire transfer in accordance with written wire instructions provided by MCC, WQIS and CPC.

20. Upon the dismissal referred to in paragraph "19" hereof and the release from escrow of the monies referred to in paragraphs "6", "7," "8" and "10" hereof, the settlement will be deemed to have been consummated. However, this in no way shall extinguish the obligations of CPC under Paragraph "9" of this Agreement or the rights of the United States or the Commonwealth to assert claims against CPC for the breaches of these obligations.

X. MISCELLANEOUS PROVISIONS

21. This Agreement, including Exhibit A, constitutes the entire agreement between the United States, the Commonwealth, and the Released Entities and Persons with regard to the subject matter hereof.

22. Any modification or amendment to this Agreement shall require the express written consent of all the parties hereto.

23. The United States specifically agrees that it does not require having the terms and conditions of this Agreement published in the Federal Register.

This Agreement shall apply to and be binding on the United States and the Commonwealth, together with their agencies, departments and natural resource trustees, and on MCC, CPC, WQIS, Bunker Group Puerto Rico, Inc., Bunker Group, Inc., New England Marine Services, Inc. and their respective successors and assigns. Changes in the ownership or corporate form or status of MCC, CPC, WQIS, Bunker Group Puerto Rico, Inc., Bunker Group, Inc., New England Marine Services, Inc. shall have no affect on their obligations under this Agreement, nor on the obligations of the United States and the Commonwealth under this Agreement.

26. This Agreement was negotiated at arms length and was executed by the parties hereto in good faith to avoid the continuation of litigation and reflects a fair and equitable settlement of claims which are contested, denied and disputed as to validity, liability and amount.

27. The execution of this Agreement shall not constitute or be construed as an admission of liability by any person for any purpose; nor is it a finding or admission or acknowledgment of the factual or legal allegations set forth in the complaints or any cross-claims or counterclaims, or an admission of any violation of law, rule, regulation, or policy by any person, including the parties hereto or their agents, successors or assigns; nor shall this Agreement or the participation of any party in this Agreement be admissible in evidence against any party hereto in any judicial or administrative proceeding.

28. This Agreement may be executed in several counterparts and by facsimile and, as executed, shall constitute one agreement, binding on all parties hereto, even though all parties do not sign the original or the same counterpart.

29. In the event that the Court does not dismiss the actions as contemplated by this Agreement, the parties holding funds in trust will return the monies, with any interest earned thereon, as described in Paragraph "19" hereinabove, and the releases given herein in Paragraphs "11," "12," and "13" shall be void, and the claims deemed withdrawn pursuant to Paragraph 17 shall be deemed reinstated.

30. Each party to this Agreement shall bear his, her or its own costs, attorneys' fees and disbursements.
