Attention: Bruce Nesslage

Through: Supervisor, Utah Ecological Services Field Office, Salt Lake City, UT *[Signature]*

From: Regional Director, Mountain-Prairie Region *[Signature]*

Subject: Request for Settlement Funds from the Department's Natural Resource
Restoration Fund Account for the Murray Smelter Natural Resource Damage
Assessment and Restoration Case, Utah, for Restoration
Implementation and Monitoring

In conjunction with the Final Restoration Plan for the Murray Smelter Natural Resource Damage Assessment and Restoration (NRDAR) case, Utah, I request \$45,960.26, plus all accrued interest, to be released to Mountain-Prairie Region from the Murray Smelter Restoration Funds account (DOI NRDA Project No. 0175).

The Department of the Interior through the U.S. Fish and Wildlife Service, West Valley City, Utah Field Office has finalized a Natural Resources Restoration Plan for the Murray Smelter NRDAR case. The requested funds will be used for restoration implementation and monitoring.

If you have any questions or require further information, please contact Mark Sattelberg, Mountain-Prairie Region NRDAR Coordinator, at 303-236-4261; or Chris Cline, Murray Smelter NRDAR Case Manager, at (385) 285-7910. Thank you.
