Damage Assessment and Restoration Project

Please disburse \$20,000 from the U.S. Fish and Wildlife Service's Sharon Steel Natural Resource Damage Assessment and Restoration Account (DC NRDA Office, Project No. 0011) to Region 6 Cost Center 9822-0011. Funding partners include the Great Salt Lake Audubon Society, TreeUtah (a non-profit conservation and education organization), the Utah Restoration, Mitigation and Conservation Commission, and our agency. The requested \$20,000 and cooperative funding agreement will benefit migratory birds in completing the final phase of floodplain habitat restoration in conjunction with the Sharon Steel Natural Resource Restoration Plan.
